MISS NATCHITOCHEES VOLUNTEER SPONSORSHIP

Date: May 16th

Location: St. Mary's School

In Natchitoches, tradition runs deep and leadership is cultivated through service. Natchitoches Volunteer is built to honor those values by empowering young women with opportunities that build confidence, character, and a heart for giving back to her community.

Our program's intent is to develop titleholders and contestants as positive ambassadors for our city through local appearances, volunteer initiatives, leadership development, and personal growth. By creating this opportunity, we believe each contestant will gain tools that extend far beyond the stage.

While the crown represents achievement, the true purpose of this organization is impact. Our goal is to strengthen young leaders and invest in the future of our youth.

Through partnership with local businesses and community leaders, we are able to expand scholarship opportunities and create experiences that shape confident, service-minded young women. Your support directly impacts lives in our state while showcasing your business' dedication to our community and its support of local programs that serve young people

We invite you to partner with us in illuminating, and strengthening the next generation of leaders in the City of Lights.

Thank you for your consideration and your commitment to supporting Natchitoches.

With gratitude,
Lindsay Session
Director
Natchitoches Volunteer Organization
