LEGACY OF LIGHTS CONTRIBUTION

Legacy of Lights Contributors generously provide in-kind services or products that support and enhance the experience of our titleholders and contestants. These contributions are not cash based, but rather scholarships of service and goods that reflect the heart of our businesses and the spirit of the City of Lights

Each donation helps prepare our titleholders for their year of service and community appearances, while allowing local businesses and partners to play a meaningful role in illuminating their journey throughout their reign.

Legacy of Lights Contributor Benefits

-  Recieve social media recognition and brand visibility throughout the titleholder's rein
-  Gain influencer-style photo and video content featuring your business, with usage rights for your own marketing
-  Be recognized as a valued partner in the preparation and success of our titleholders throughout their year of service
-  Receive a tax-deductible donation receipt for your donation

Once your contribution is confirmed, you will receive a brief agreement outlining the value of your donated goods or services, any applicable restrictions (such as expiration dates or usage limits), and preferred redemption details.

Following coronation, each titleholder will sign a corresponding acknowledgement agreement detailing content creation and promotional commitments associated with your contribution. This process will ensure professional, consistent promotion for your business while allowing donated services to be redeemed in a way that respects your availability and capacity.
